Hunting them deer

Feeling so fine

a sexy little hotty

talking on the radio

spinning those tunes

gotta be with her soon

smoking hot DJ

smoking hot DJ

smoking hot DJ

looking so fine

she's a smoking hot dj

burning up the radio

playing them songs

that soothe your soul

Playing them tunes

twe grew up with

keep those blues

keepem off of my chest

with a song about girls

and jacked up trucks

catching fish

and all that country boy stuff
